SOUTH CAROLINA
DOCKET NO. 90-588-G - ORDER NO. 95-763 ✓
MARCH 22, 1995

IN RE: SC Pipeline Corporation -) ORDER GRANTNG
Maximum Rates for Industrial) MOTION TO WITHDRAW
Customers.) FROM PROCEEDINGS

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of O & R Energy, Inc. (O & R) which moves this Commission for an Order allowing it to withdraw from this Docket.

In support of its Motion, O & R states that it has been a party to this proceeding due to its ongoing business activities in South Carolina and the potential for any decision issued in this Docket, to have an impact on O & R's operation. O & R Energy recently reorganized its marketing operations in South Carolina and closed its Columbia, South Carolina office. Due to the change in its business plans, O & R has concluded that further participation in this Docket would not advance its business interests. O & R also states that approval of this Motion will not hinder or interfere with any other party in this Docket.

The Commission has examined this matter and believes that the relief sought by O & R should be granted, based on the reasoning propounded by O & R.

IT IS THEREFORE ORDERED THAT:

1. The Motion for Withdrawal from the Docket filed by O & R is hereby granted.

2. This Order shall remain in full force and effect until further Order of the Commission.
